MEMO PERD #11/02

March 5, 2002

TO: Designees for Personnel Rules Distribution

FROM: Jeanne Greene, Director
Department of Personnel

SUBJECT: Newly Adopted Permanent Regulations

Enclosed are the permanent regulations adopted by the Personnel Commission on December 7, 2001. Although all of the regulations were adopted by the Personnel Commission on the same date, there are three different effective dates based on the date they were filed with the Secretary of State, or in the case of differential pay for military service, based on a prospective effective date. The effective date for a specific regulation is noted at the end of the text of the regulation. Additionally, several sections were repealed as of January 22, 2002, and these are noted at the end of the attached documents.

Please see that all administrators and personnel representatives, as appropriate, are advised of these changes. You may wish to reproduce these pages and distribute them to your personnel rule recipients. These revisions are also available on our website at www.state.nv.us/personnel/.

Once these regulations have been codified and reformatted, we will be reprinting and distributing the *Rules for State Personnel Administration*.

If you have any questions regarding the enclosed regulations, please contact Shelley Blotter at 684-0111.
